MEMORY CARD GUIDE

FOR MOBILE PHONES

what makes life memorable lives on my

Mobile Memory Product Line

Expand your phone's memory in a snap

Whether you are looking for a little more memory or a large amount of storage space, SanDisk mobile memory cards plug directly into most phones with a card slot for immediate expansion and the best in convenience and reliability.

SanDisk® microSD™ and microSDHC™ Memory Cards

- Take hours of higher-quality video and snap photos freely
- Load up your music library for great listening, or for the coolest ring tones
- Upload your videos, pics and tunes online to share with your friends

SanDisk® Memory Stick Micro™ (M2™) Memory Cards

- Ideal for most Sony® Ericsson™ phones
- Go from simple ring tones to a vast music library
- Upload videos, photos and music to share with your community online

AVAILABLE IN 2GB, 4GB, 8GB AND 16GB CAPACITIES*

Move your memories with ease

Transfer photo albums, movies, and music libraries between your mobile phone and your PC with the MobileMate™ Micro Memory Card Reader and SD™ adapter. Just plug the flash memory cards directly into the reader or adapter for fast file movement between your phone and your PC.

SanDisk® MobileMate™ Micro Memory Card Reader

- Plugs directly into your Desktop or Notebook computer
- High-speed USB 2.0 compatible file transfer rates
- Reads microSD™, microSDHC™, Memory Stick Micro™ (M2™) memory cards

SD™ Adapter

- Makes file transfers quick and simple
- Compatible with microSD™ and microSDHC™ memory cards

SOCIAL NETWORKER

Unleash your phone's potential

For the movers and the shakers who want to upload more videos, music, and photos to social media sites—go for the 2GB or 4GB cards and share more of your digital content without any worry.

Let's mobilize

8:00 A.M. Woke up and bought myself a cool new ring tone from bed

9:00 A.M. Hopped on the bus and played the songs stored right on my phone

12:00 P.M. Downloaded a new game on my lunch break—saved my level for later

6:00 P.M. Went out on the town and snapped a couple of shots with some girls I met up with

9:00 P.M. Danced with one of those lovely ladies and caught our moves on video

11:00 P.M. Went home and transferred the pics to my laptop in a snap

12:00 A.M. Uploaded the video for them to see

LIFE ORGANIZER

Pack more fun into your mobile phone

For all the people in the world with jam-packed lives, choose the 8GB or 16GB cards to capture, carry and share more photos, videos and music wherever you are, whenever you want.

Memory while I'm on the move

8:00 A.M. Loaded music to my phone, and saved the new playlists to my memory card

10:00 A.M. Watched Ryan's soccer game and snapped a ton of great shots

1:00 P.M. Made it to Sarah's ballet practice in time to catch and record her solo

4:00 P.M. Went to the grocery store and posted pictures to my status page while waiting in line

7:00 P.M. Scrolled through all the fun shots to relive the game and posted them to my online photo album

8:00 P.M. Uploaded Sarah's solo to YouTube and told the whole family where to find it

BUSINESS PROFESSIONAL

Get the memory your busy lifestyle demands

For professionals everywhere. Whether you're stuck in an airport or in your next big meeting, with 16GB cards you can access all your saved presentations, spreadsheets and important files.

My phone is my mobile office

9:00 A.M. Reviewed my presentation notes on my way to the big meeting

10:00 A.M. Accessed critical spreadsheets for the client—a real clincher to close the deal

1:00 P.M. Emailed the whole team the meeting notes from my phone

5:00 P.M. Listened to my victory playlist while I waited for a taxi back to the hotel

7:00 P.M. Went out to dinner with my team, catching the celebratory toasts on video

9:00 P.M. Captured some great shots of the city skyline and sent them to my family back home
